

# SQUAW BUTTE PAINT KIT

Thank you so much for your purchase! We are constantly working hard to create a seamless and fun experience for our clients and pray that this paint kit will bless you.

This kit includes:

- ❖ One 5 layered wood canvas of Squaw Butte, Emmett
- ❖ Three paintbrushes (small, medium and large)
- ❖ Paint in these shades with the corresponding number labels:
  - White (1), Black (2), Red (3), Yellow (4), Sky Blue (5), Navy Blue (6), Midnight Blue (7), Purple (8), Light Brown (9) & Dark Brown (10)
  - Please note that I make a lot of these colors, so they may need to be premixed
- ❖ Printed step-by-step directions with photo reference (attached to this paper)
- ❖ Glue to complete your masterpiece
- ❖ Two Command strips to hang your finished product without damaging your walls

We recommend that you use your kit within 30 days of purchase to ensure your paint is at its peak quality.

We are a newer company and quality is something we value for our clients. If you have any suggests, we would love your feedback! Please reach out to us at [info@cinkodesigns.com](mailto:info@cinkodesigns.com)

Thank you, again, for your support!

# SQUAW BUTTE STEP-BY-STEP

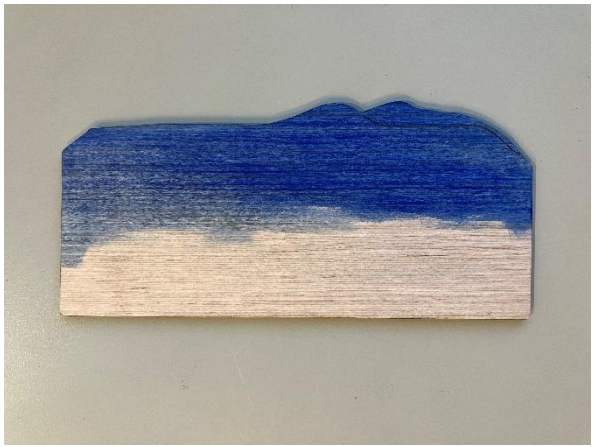

Step One: Sky

Start with Yellow (4) in the right corner, then Red (3), and end with a small amount of Purple (8) in the left corner

Step Two: First Mountain

Paint a base layer of Sky Blue (5)

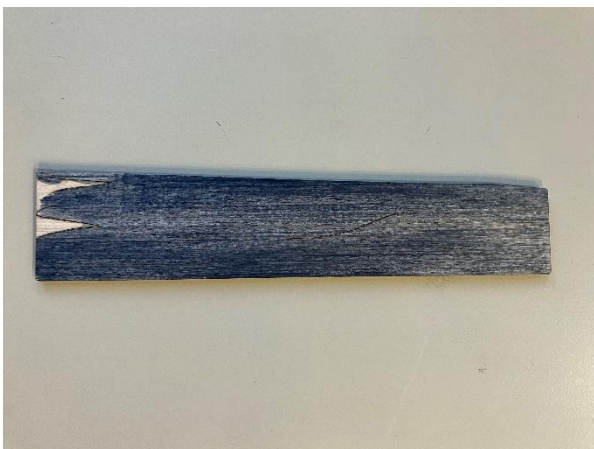

Step Three: Second Mountain

Paint a base layer of Navy Blue (6)

Step Four: Third Mountain

Paint a base layer of Purple (8)

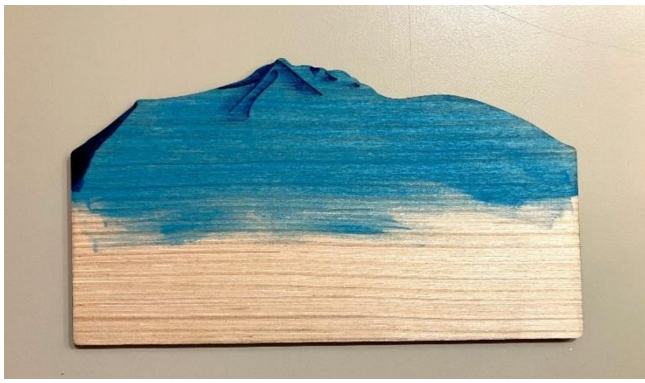

Step Five: Water

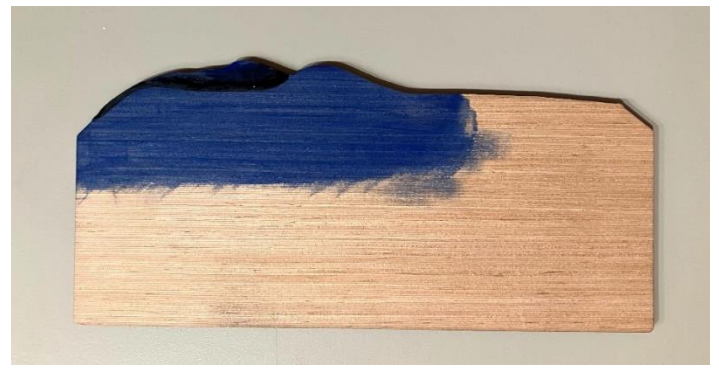

Paint a base layer of Midnight Blue (7)

Base Layers Complete!

First Mountain Layer  
Use Midnight Blue (7) to shade this mountain

Second Mountain Layer  
Used Black (2) to shade this mountain

Third Mountain Layer  
Use Black (2) to shade this mountain layer

Water Layer  
Add Navy Blue to the "waterfall" portion of the water and the beach

Add Sky Blue (5) to the beach edge and paint streaks down the "fall" portion of the waterfall

Add Light Brown (9) in dabbling motions, then add Dark Brown (10) on the bottom side of rocks

Add a little more Sky Blue (5) to the “fall part of the waterfall, and on the lower half of the river

Add the White Water with White (1) by dabbing and then adding light streaks under the mist

Wild Grass baseline using Black (2)  
Note: take a pencil and line the top of the water layer to find the grass line

Add mist layer with Sky Blue (5)

Now we will be working with Black only (2). Add Evergreens

Then add trees and branches

Add Leaves to your trees by dabbing your paint brush

Fill in the gaps with various brush
